Article 7: District Rights

It is understood and agreed that the District retains all of its powers and authorities to direct, manage, and control its operations to the full extent of the law. Exercise of these powers, rights, authorities, duties, and responsibilities by the District; the adoption of the policies, rules, regulations, and practices in furtherance thereof; and the use of judgment and discretion in connection therewith, shall be limited only by the express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with the law.

Article 8: Grievance Procedure

A. Definition

- 1. A "grievant" shall mean a unit member, group of unit members, or the Association filing a grievance in its own interest.

2. A "grievance" shall mean that a claim exists that there has been a violation, misapplication, or misinterpretation of a specific provision of this Agreement which adversely affects the "grievant".
3. "Employer" shall mean the Board of Trustees.
4. "Days" shall mean working days as defined in Article 3. Any time limit affected by the seasonal or intersession recess periods shall be extended by five (5) days. Time limits herein may be lengthened or shortened in a particular case only by mutual agreement in writing signed by each party.

B. Purpose

The purpose of this procedure is to attempt to secure at the lowest administrative level, beginning with the immediate supervisor, equitable solutions to grievances. All parties agree that these proceedings will be kept informal and confidential to the extent possible.

C. Guidelines

1. A unit member may file a grievance as defined in A.2 above within fifteen (15) days of the occurrence, or within fifteen (15) days of when the unit member could have reasonably known of the occurrence of the act or omission giving rise to the grievance.
2. All unit members have the right of Association representation at each step of the grievance procedure. Any individual unit member or group of unit members shall have the right at any time to present grievances to their immediate supervisor and to have such grievances settled without the intervention of the Association as long as the settlement is not inconsistent with the terms of this Agreement. The proposed resolution of a formal grievance shall not be implemented until the Association has received a copy of the grievance and the proposed resolution thereof, and has been given the opportunity to file a response.
3. Every unit member has the right to present grievances under this article with or without a representative present. The grievant must be present at each level unless their presence is excused by mutual agreement.
4. No reprisals of any kind will be taken by the Association or District against any grievant, any member of the Association, or any other participant in the grievance procedure by reason of such participation. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

5. The filing of a grievance shall in no way interfere with the right of the District to proceed in carrying out its management responsibilities subject to the final resolution of the grievance. In the event the alleged grievance involves an order, requirement, or other directive, the grievant shall fulfill or carry out such order, requirement, or other directive pending the final resolution of the grievance, except where unusual or abnormal safety hazards have been determined to exist.
6. The failure of the grievant to act within the prescribed time limits stated in this article shall act as a bar to any further appeal. The failure of the District to give a decision within the time limits shall permit the grievant to proceed to the next step.
7. Investigations, conferences, and the normal processing of a grievance shall be conducted so as to result in as little interference as possible with, or interruption of, the instructional program. The grievant and immediate supervisor shall have the right to include such witnesses as are deemed necessary to provide facts upon request. The aggrieved unit member, designated witnesses, and/or any Association representative shall receive release time without loss of compensation upon twenty-four (24) hours prior request to the Assistant Superintendent, Human Resources or designee for purposes of appearing in grievance meetings as defined in each step of these procedures.
8. Once a grievance has been initiated, all matters of dispute relating to it which occur during the processing of the grievance shall become a part of and be resolved in the grievance proceeding. Once a grievance has been resolved or a final decision rendered, the grievant shall not be entitled to initiate a new grievance on any matter or occurrence, which could have been included in the first grievance.
9. If the grievance involves a member of the District's administration above the principal or immediate supervisor level, the grievant shall submit such grievances to the Assistant Superintendent, Human Resources or designee.

D. Procedures

1. Informal Level

An aggrieved unit member will first discuss the potential grievance with the immediate supervisor prior to the filing of the formal grievance. The purpose of such meeting shall be to resolve the matter informally. If the issue is not resolved at the conclusion of the meeting, the grievant and the immediate supervisor must sign the "informal meeting" section of the grievance form.

2. Formal Level

The District's grievance forms shall conform to the requirements of this procedure's provisions, and shall be used at Step 1 by the grievant and any District representative.

Step 1 – Administration

- a) If the aggrieved unit member is not satisfied with the grievance resolution at the informal level, a formal grievance may be initiated. Within fifteen (15) days of the occurrence, or within fifteen (15) days of when the unit member could have reasonably known of the occurrence of the act or omission giving rise to the grievance, the grievant may file the same grievance in writing to the Assistant Superintendent, Human Resources or designee. The District form for Step 1 shall be completed.
- b) Within ten (10) days after receipt of the written grievance by the Assistant Superintendent, Human Resources or designee the Assistant Superintendent, Human Resources or designee shall meet with the grievant. If the grievant so requests, a representative of the Association may be present.
- c) The Assistant Superintendent, Human Resources or designee shall respond in writing announcing their decision within ten (10) days after such meeting.

Step 2 – Mediation

- a) If the grievance is not settled in Step 1, and the grievant elects to pursue the grievance, the Association shall submit the grievance to mediation.
- b) The Association shall notify the Assistant Superintendent, Human Resources or designee within ten (10) days after receipt of the written decision at Step 1, or within ten (10) days after the time for providing that decision has passed.
- c) The purpose of the mediation is to attempt to resolve the grievance in its entirety. If the mediation does not successfully resolve the grievance within thirty (30) days, the mediation step shall be deemed completed.
- d) The parties shall request a mediator from the State Conciliation and Mediation Service. It is anticipated that the mediation services will be without charge to the parties. However, if there are costs, they shall be shared equally by the Association and the District.

Step 3 – Arbitration

- a) If the grievance is not resolved at mediation, and the Association wishes to proceed to arbitration, it shall notify the District within ten (10) days of the completion of mediation that it wants to proceed to arbitration.
- b) Upon notification of the Association's intent to proceed to arbitration, the District shall request a panel of five arbitrators from the State Mediation and Conciliation Services (SMCS). The parties will alternatively strike names from the SMCS panel until one name remains and that individual shall be the arbitrator for the matter.
- c) The arbitrator's decision shall be in writing and shall set forth the findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which would violate the terms of this Agreement. However, it is agreed that the arbitrator may award such financial reimbursement or other remedies as they judge to be proper. If any question arises as to the arbitrability of the grievance, such question will be ruled upon by the arbitrator before the merits of the case are heard.
- d) The decision of the arbitrator will be submitted to the Association and the Superintendent and will be final and binding on the parties.
- e) All costs for the services of the arbitrator, including, but not limited to, per diem expenses, their travel and subsistence expenses and the cost of any hearing room will be borne equally by the District and the Association. All other costs, except for released time for the grievant(s), Association representative(s), and witnesses who are unit members of the District, will be borne by the party incurring them.

Article 9: Salaries

- A. Salary Schedules: District and Association agree that the unit members covered by this Agreement shall be compensated in accordance with the Salary Schedules and position classification compensation allocation listing in Appendix A.
- B. Placement and/or advancement on the Salary Schedule: Placement and/or advancement on the Salary Schedule will be made on the basis of training and teaching experience.

1. All unit members will receive remuneration for services based on an adopted Salary Schedule whose basic provision requires each unit member to have a teaching and/or service credential.
2. All unit members entering the School District will be given a classification for Salary Schedule placement based on their proper qualifications in accordance with the provisions of the appropriate current Salary Schedule.
 - a) Bargaining unit members hired to begin work effective the 2006-07 school year, will be given a classification for salary schedule placement based on all years of applicable and verifiable teaching experience requiring a credential, earned outside the District.
 - b) Fully credentialed Speech Therapists, School Psychologists, and Nurses may be credited with the appropriate number of applicable and verifiable years of experience requiring a credential, earned outside the District. For applicable and verifiable experience that is not related to public education, one (1) year of District credit may be earned for every two (2) years' experience.
3. Unit members entering the school district will be placed according to degrees earned, collegiate units and previous experience on commencement of contract.
4. A substitute or part time unit member will be credited one (1) year of experience for seventy-five percent (75%) of the number of working days (Article 17).

C. Professional Growth

1. There shall be a limit of fifteen (15) units, which shall have had District approval for salary schedule credit in any one (1) calendar year. Unit members should seek District approval of course work prior to enrollment.
 - a) The definition of calendar year for this purpose shall be September 10 to September 9 of the next year.
 - b) There shall be a limit of no more than six (6) units which may be credited in any school year semester.
 - c) All petitions for reclassification and movement on the salary schedule must be received by the personnel technician on or before June 1. All units to be credited for the movement on the salary schedule must be completed by September 10th of each calendar year. Movement will be granted upon verification of completion of

course work units by an official up-to-date transcript or verified statement in lieu of a transcript delivered to the personnel technician prior to November 1. A review of the salary schedule placement for all new and continuing unit members who have so petitioned will be made between the first and fifteenth of the month following course work verification received by the personnel technician.

2. The criteria for the board's acceptance of submitted units for reimbursement shall be the following:
 - a) To develop increased competence in secondary and elementary subject areas and curriculum.
 - b) To prepare personnel for changing grade levels or subject areas within the school district.
 - c) To develop competencies in instructional techniques and methodology.
 - d) To prepare for professional advancement. (The source of funding or payment for submitted units shall not determine whether such units shall be accepted for salary schedule credit.)

- D. Compensation for duty beyond the adopted contract year (See Article 17) shall be established by the following formula:

Unit members required by the employer to render additional days of service and not compensated by an adopted extra duty pay schedule shall be reimbursed at an established daily rate which shall be calculated as follows: base salary divided by work days. Hourly rates will be determined by dividing the daily rate by seven (7).

- E. The Extra Duty Pay Schedule agreed to by the District and the Association shall be Appendix B and Appendix C.

Effective June 12, 2017, Extra Duty pay for all non-mandated work and staff development training beyond the contractual professional responsibilities; excluding work identified in Appendix B and C, and the extended year MOU, shall be paid at the hourly rate associated with Column II, Step 6 (as determined by the formula: annual salary identified in Column II-Step 6/ contracted work days/7) with prior approval from the immediate supervisor. Professional development or attendance at conferences offered by the district may be advertised for no compensation or the extra duty rate; unit members may participate in accordance with the offerings.

- F. For purposes of calculating salary for partial assignments at the elementary level, pay rate percentages will be determined by dividing the number of minutes taught by the part-time unit member by the number of minutes taught at that grade level at that site by a regular full-time unit member. Calculations for partial assignments at the secondary level will be determined by dividing the number of periods taught by five (5).
- G.. Agriculture Program
1. Teachers serving in the Agriculture Department shall receive an additional .2 compensation for the extended year responsibilities as on the Certificated Salary Schedule while they remain in the program. Those teachers starting after July 1 or leaving prior to June 30 shall receive a pro-rated stipend for that year.

This paid leave applies while the unit member is receiving temporary disability benefits from Worker's Compensation. The provisions of the paid industrial accident and illness leave are as follows:
 - a) In the event an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the unit member shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred for the same illness or injury. The allowable limit of industrial accident or illness leave shall be determined by the unit member's doctor(s) and shall end when the doctor(s) release(s) the unit member to return to work.
 - b) Allowable leave shall not be accumulated from year to year.
 - c) Industrial accident or illness leave will commence on the first (1st) day of absence.

 - e) Industrial accident leave will be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under workers' compensation.
2. When entitlement to industrial accident or illness leave has been exhausted, entitlement to other sick leave will then be used, but if any unit member is

receiving Worker's Compensation the unit member shall be entitled to use only so much of the unit member's accumulated or available sick leave, accumulated comp-time, vacation or other available leave which, when added to the Worker's Compensation award, provide for a full day's wage or salary.

3. The Governing Board may, by rule or regulation, provide for such additional leave of absence, paid or unpaid, as it deems appropriate. After such leave, the unit member may return to the unit member's position without suffering any loss of status or benefits.
4. Periods of leaves of absence, paid or unpaid, shall not be considered to be a break in service of the unit member.
5. During all paid leaves of absence, whether industrial accident leave as provided in this section, sick leave, vacation, compensated time off, or other available leave provided by law or the action of the Governing Board, the unit member shall endorse to the District wage loss benefit checks received under the Worker's Compensation laws of the state. The District, in turn, shall issue the unit member appropriate warrants for payment of wages of salary and shall deduct normal retirement and other authorized contributions.

When all available leaves of absence, paid or unpaid, have been exhausted and if the unit member is not medically able to resume the duties of their position, the unit member shall, if not placed in another position, be placed on a re-employment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) month period, the unit member shall be employed in a vacant position in the class of the unit member's previous assignment over all other available candidates except for a re-employment list established because of lack of work or lack of funds, in which case the unit member shall be listed in accordance with appropriate seniority regulations.
7. Any unit member receiving benefits as a result of this section shall, during the period of injury or illness, remain within the State of California unless the Governing Board authorizes travel outside the state.
8. A unit member who has been placed on a re-employment list as provided herein, who has been medically released for return to duty and who fails to accept any appropriate assignment, shall be dismissed.

E. Emergency Leaves of Absence

A unit member using this leave of absence provision shall notify the immediate supervisor as soon as possible of the expected duration of the absence. Immediately upon return to active service, the unit member shall complete the District-approved absence form and submit it to the immediate supervisor. Under the provisions of this section, a unit member's sick leave shall not be reduced.

1. A unit member shall be entitled to a leave of absence, with full pay, not to exceed a maximum of five (5) school days for the purpose of bereavement leave, in the event of the death of any member of their "immediate family".
2. A unit member shall be granted an emergency leave with full pay not to exceed three (3) school days in any one year in the case of sudden or unexpected illness or injury of a member of the "immediate family" when the presence of the unit member is necessary. At the request of the unit member, the Board may grant additional days.

G. Family Care Leave Act

It is the intent of this section to make available to employees leave under the Federal Family Leave Act (FMLA) and the California Family Rights Act (CFRA) (Government Code Section 12945.2). This section shall be applied and interpreted in accordance with the state and federal law and regulations. This section shall not be interpreted to provide greater rights or benefits than those rights and benefits provided for in the FMLA and CFRA.

Leave granted under this section is unpaid. Benefit compensation shall be determined in compliance with the state and federal guidelines.

Eligibility for this leave shall follow the guidelines required by this code. The use of FMLA and all other granted leaves must be concurrent.

The total time for paid and/or unpaid FMLA leave for other than the employees' own serious health condition shall not exceed twelve (12) weeks per year.

H. Educational and Professional Leaves of Absence

1. Leave of Absence for a Duration of Up To One Year

At the request of the District or unit member, a unit member may, with the approval of the Governing Board, be granted a leave of absence, not to exceed one (1) year. Leaves of five (5) days or less may be approved by the Superintendent or designee. Reasons for such leaves may include, but are not limited to, the following:

- a) to attend regularly - or specially - scheduled classes, workshops, field trips, etc., offered or sponsored by industrial concerns or accredited colleges or universities; or
- b) to attend meetings or conventions of education Associations; or

2. Two-Year Leave of Absence

Upon request, a certificated bargaining unit member may be granted a leave of absence by the Governing Board for a period of two (2) years. Such leave will be granted only for the purpose of teaching outside the United States or to obtain an advanced degree or specialized credential. If leave is granted for the purpose of teaching, service credit will accrue.

The unit member must submit their request to take a two (2) year leave of absence, in writing, to the Human Resource Division by April 1st, prior to the school year the leave is to be taken.

The unit member shall have the right to continue coverage for group health, vision, dental, and life insurance if they reimburse the District for the premiums and if the master agreement with the insurance carrier(s) contains such provisions without limitations.

I. Leaves of Absence for Personal Business – Short Term

1. Leave for any personal business and/or family obligation which cannot be conducted before or after the workday may be granted for up to three (3) days per school year by the site administration with prior authorization from the Division of Human Resources less the cost of a substitute. Sick leave shall not be reduced. However, retirement service credit may be affected. For this subparagraph, "personal business and/or family obligation" may include trips which, by their nature, cannot be postponed or completed on a weekend.
2. A unit member may be granted, at the discretion of the Governing Board, a leave of absence of up to twenty (20) days to attend to personal business. The Board may determine such salary deductions, if any, as it deems appropriate.

J. Leaves of Absence for Personal Business – Long Term

1. A unit member having earned tenure and having completed three consecutive years of full-time employment in the District may, upon request and with the Governing Board's approval, be granted a leave without pay not to exceed one (1) year. Such leave shall not be automatically renewable.
2. The unit member must submit their intention to take a one (1) year leave of absence, in writing, by April 1, prior to the school year this leave is to be taken.
3. The unit member shall have the right to continue coverage for group health, vision, dental, and life insurance if they pay the premiums to the District and the master agreement with the insurance carrier contains such provisions without limitations. The District shall make every effort to provide a carrier which has such a provision.
4. No time in service shall accrue during the leave and no District benefits will be provided other than those, which are stated in this Article.

K. Catastrophic Leave Bank

The Association and the District agree to create a Catastrophic Leave Bank effective July 1, 2012. The Catastrophic Leave Bank shall be funded in accordance with the terms of this section, and is not subject to grievance procedures. The Catastrophic Leave Bank may be terminated by the WEA Executive Board upon written notification to the District.

1. Implementation

- a) For the purposes of this section, a "day" shall be any day a unit member is expected to be on duty as determined by the terms of this Agreement.
- b) Days in the Catastrophic Leave Bank shall accumulate from year to year.
- c) Days shall be contributed to the Bank and withdrawn from the Bank without regard to the daily rate of pay of the Catastrophic Leave Bank participant.
- d) The Catastrophic Leave Bank shall be administered by a four (4) member Catastrophic Leave Bank Committee appointed by the WEA Executive Board. There will be one (1) representative from each of the following levels: elementary, middle and high school and one (1) from Pupil Services. The terms of the Committee shall be staggered three-year terms. Initial appointments shall be for one (1) year, two (2) years, and three (3) years for two (2) representatives. The WEA President or designee shall replace a committee member who requests catastrophic leave. In the event of a tie, the WEA president shall cast the deciding vote.

2. Eligibility and Contributions

- a) All unit members on paid status with the District are eligible to contribute to the Catastrophic Leave Bank.
- b) Participation is voluntary, but requires contribution to the Bank. Only contributors will be permitted to withdraw from the Bank.
- c) Unit members who elect not to join the Catastrophic Leave Bank upon first becoming eligible must wait until the next open enrollment period and have a waiting period of thirty (30) days after joining the Bank before becoming eligible to withdraw from the Bank.

- d) The contribution, on the appropriate form, shall be authorized by the unit member and continued from year to year until canceled by the unit member.
- e) Cancellation, on the appropriate form, may be affected at any time, and the unit member shall not be eligible to draw from the Bank as of the effective date of the cancellation. Sick leave previously authorized for contribution to the Bank shall not be returned if the unit member affects cancellation.
- f) Contributions shall be made between July 1 and October 1 of each school year. Unit members returning from extended leave which included the enrollment period and new hires will be permitted to contribute within thirty (30) calendar days of beginning work. WEA will provide enrollment forms for the Catastrophic Leave Bank to all new unit members and those unit members returning from leave. The District will also make the forms available at the Central Office.
- g) The annual rate of contribution by each participating unit member for each school year shall be one (1) day of sick leave that shall be deemed to equate to the legal minimum required by Education Code Section 44043.5.
 - i. After June 30, 2013, an additional day of contribution will be required of participants if the number of days in the Bank falls below fifty (50) days. Catastrophic Leave Bank unit member participants who are drawing from the Bank at the time of the assessment will not be required to contribute to remain eligible to draw from the bank. If a Catastrophic Leave Bank unit member participant has no remaining sick leave at the time of the assessment, they need not contribute the additional day to remain a participant in the Catastrophic Leave Bank, but shall contribute two (2) days at the beginning of the next school year. An additional day of contribution shall not be required of unit members more than once per school year, but may be requested by the WEA Executive Board on a voluntary basis.
 - ii. If the number of days in the Bank at the beginning of a school year exceeds three hundred (300), no contribution shall be required of returning unit members. Those unit members joining the Catastrophic Leave Bank for the first time and those returning from leave shall be required to contribute one day to the Bank.

- h) Unit members leaving the District due to retirement or other reasons may elect to donate any or all of their accrued sick days to the Catastrophic Leave Bank.

3. Withdrawal from the Bank

- a) Catastrophic Leave Bank participants whose sick leave is exhausted may withdraw from the Bank for catastrophic illness or injury. Catastrophic illness or injury shall be defined as any illness or injury that incapacitates a unit member for over ten (10) consecutive duty days. If a reoccurrence or a second illness or injury incapacitates a unit member within twelve (12) months, it shall be deemed catastrophic after five (5) consecutive days. For example, a unit member who used the Bank, after exhaustion of sick leave for twenty-five (25) days and after returning to work, suffers a heart attack, shall be deemed to have a second catastrophic illness and may again withdraw from the Bank after five (5) consecutive days off work.
- b) Unit members must use all sick leave, but not differential leave, available to them before being eligible for a withdrawal from the Bank.
- c) Unit members who have exhausted sick leave, but still have differential leave available are eligible for a withdrawal from the Catastrophic Leave Bank. The District shall pay the unit member full pay and the Bank shall be charged one-half (1/2) day. Differential leave and catastrophic leave shall run concurrently.
- d) The first ten (10) days of catastrophic illness or injury must be covered by the unit member's own sick leave, differential leave, or leave without pay, the first time said unit member qualifies for a withdrawal from the Bank. For subsequent withdrawals within twelve (12) consecutive months, the first five (5) duty days of illness or injury must be covered by the unit member's own sick leave, differential leave, or leave without pay.
- e) If a unit member is incapacitated, applications may be submitted to the Committee by their representative.
- f) Withdrawals from the Catastrophic Leave Bank shall be granted in units of no more than twenty (20) duty days, however, unit members may request extensions. A unit member's withdrawal from the bank may not exceed the statutory maximum period of twelve (12)

consecutive months. Any days issued but not used by the unit member are returned to the Catastrophic Leave Bank.

- g) Unit members applying to withdraw or extend their withdrawal from the Catastrophic Leave Bank will be required to submit a doctor's signed statement indicating the nature of the illness or injury and the probable length of absence from work. Members of the Committee shall keep information regarding the nature of the illness confidential. A unit member's withdrawal may not exceed the statutory maximum period of twelve (12) consecutive months.
- h) If a unit member has drawn twenty (20) Catastrophic Leave Bank days and requests an extension, the Committee may require a medical review by a physician of the Committee's choice at the unit member's expense. The Committee shall choose only a physician who qualifies under the member's negotiated insurance policy. Refusal to submit to the medical review will terminate the unit member's continued withdrawal from the Bank. The Committee may deny an extension of withdrawal from the Catastrophic Leave Bank based upon the medical report. The participant may appeal any termination under the procedures outlined in Section K.3.i below.
- i) If the Catastrophic Leave Bank does not have sufficient days to fund a withdrawal request, the Committee is under no obligation to provide days and the District is under no obligation to pay the participant any funds whatsoever. If the Committee denies a request for withdrawal, or an extension of withdrawal, because of insufficient days to fund the request, they shall notify the unit member, in writing, of the reason for the denial.
- j) Leave Bank withdrawals shall become effective immediately upon the exhaustion of sick leave or the waiting periods provided in Sections 2.c and 3.d, whichever is greater. For example, if
 - a unit member contributed when first eligible to contribute (Section 29 2.c) and had ten (10) days of accumulated sick leave when the illness began (Section 3.d), they shall begin withdrawing upon the 11th duty day,
 - otherwise eligible, the unit member had fifteen (15) days of sick leave at the beginning of the illness, they shall begin withdrawing days on the 16th duty day,

- the unit member had five (5) days of sick leave at the beginning of the illness, they shall begin withdrawing days on the 11th duty day.
- k) Catastrophic Leave Bank unit member participants who are denied a withdrawal or whose withdrawal is not renewed or terminated may, within thirty (30) days of denial, appeal, in writing, to the Executive Board of the Association. The Executive Board shall issue a confidential written decision within ten (10) duty days from the date of the appeal. If a unit member is incapacitated, appeals may be submitted to the committee by their representative. The decision of the Executive Board shall be final.

4. Administration

- a) The Catastrophic Leave Bank committee shall have the responsibility of maintaining the records of the Catastrophic Leave Bank, receiving withdrawal requests, verifying the validity of requests, approving or denying the requests, and communicating its decisions, in writing, to the unit member participants, to the Association, and to the District.
- b) The committee's authority shall be limited to administration of the Bank. The committee shall review all properly submitted requests complying with the terms of this Article.
- c) Applications shall be reviewed and decisions of the committee reported to the applicant, in writing, within ten (10) days of receipt of the application.
- d) The committee shall keep all records confidential and shall not disclose the nature of the illness except as is necessary to process the request for withdrawal and defend against any appeals of denials.
- e) By October 5 of each school year, representatives of the District and Committee shall meet and review the following:
- i. The total number of accumulated days in the Bank on June 30th of the previous school year.
 - ii. The number of days contributed by unit members for the current year.
 - iii. The names of participating unit members.

- iv. The total number of days available in the Bank.
 - f) By June 30th of each year, representatives of the District and Committee shall meet and review the following:

 - ii. The names of any unit members who have canceled participation in accordance with Section 2.e.
 - iii. The total number of days added to the Bank by new participants.
 - iv. The total number of days awarded during the year and to whom they were awarded.
 - v. The total number of days remaining in the Bank.
 - g) Any dispute between the Committee and the District as to the accounting of Catastrophic Leave Bank days shall be immediately submitted to the District's auditor for review. Costs associated with this review will be shared equally by the parties.
 - h) If the Catastrophic Leave Bank is terminated for any reason, the days remaining in the Catastrophic Leave Bank shall be returned to the then current members of the Bank proportionately.
5. The terms of the Catastrophic Leave Bank contained in this section shall be reviewed and modified as necessary during the 2011-2012 school year.

Article 13: Elementary and Secondary Class Size; Secondary Course Preparations; and Homeroom

A. Class Size – Elementary

- 1. The District shall make every reasonable effort to have a maximum individual class size not exceeding thirty-two (32) pupils for kindergarten through sixth grades. Classes in excess of thirty-two (32) pupils shall have the personal written approval of the Superintendent or their designee, or may be adjusted to fit the special needs of team teaching and other special "within" school organizational plans with approval of all unit members

involved. A copy of the written approval shall be sent to the unit members involved immediately following the act of entering each additional student.

5. The volunteer unit member may terminate their participation in the Program at any time.

C. Mandatory Permanent Unit Member Peer Assistance Program

1. The purpose of this Program is to provide assistance and renew quality teaching and performance to permanent unit members whose performance has been evaluated as "unsatisfactory" by the principal or designated evaluator in only the areas of subject matter knowledge, teaching strategies, teaching methods and instruction as outlined by the California Standards for the Teaching Profession or job performance based upon the job description as provided in Article 18 (Evaluation) of this Agreement through peer consultants. An unsatisfactory evaluation shall be a "1" rating on any two (2) or more of the California Standards for the Teaching Profession, 1 through 5.

In such cases, the Consulting Teacher shall maintain prime responsibility for the Assistance Plan.

ATHLETIC EXTRA DUTY PAY SCHEDULE

The salaries to be paid for extra duty assignments are based on a percentage of Column II of the existing salary schedule. (A.B. plus 30 units of the level of fully credentialed unit members). The placement step on Column II will be determined by the number of actual years of previous experience in the particular assignment. Transfer credit of similar experience from other districts will be according to the same regulations as applied to unit members on the salary schedule.

Regardless of the above, step placement for coaching shall be determined on previous paid years of experience in any sport in a school of the junior high level and above. Coaching any sport (or several sports) during a school year counts as one year's experience. (E.g., in a school year no more than one year's experience can be earned.)

Individuals coaching two assignments during a school year shall receive a 2% factor increase on the coaching assignment of greater value. An additional 1% factor (3% factor total) shall be those assignments in one academic year. The increased pay will be included in the last check for a sport coached that Academic Year.

Athletic Director, High School 14%

Athletic Director, Middle School 8%

(A maximum of six years coaching experience will be allowed for placement.)

Professional Collaboration Days

Beginning with the 2011-2012 school year, the District administration agrees to implement at each school site nine (9) Wednesdays per year as site staff professional collaboration days. The purpose of these designated collaboration days is to provide site staff with the opportunity to articulate educational issues.

At the beginning of each school year, District administration will designate the district-wide dates for the nine collaboration sessions and notify the Association and site administration.

The topics for the professional collaboration days shall include, but not be limited to curriculum, instructional strategies, assessments and student data, and lesson planning. The intent of this provision is to provide flexibility to each staff member in the selection of the topic and the group of colleagues with whom they will collaborate. Therefore, each unit member shall work with colleagues to select a topic, develop an agenda and submit the agenda, including names of participants, to site administration within the week prior to the designated collaboration days. Minutes from each meeting shall be submitted to the site administration.

It is the expectation of the District and the Association that the staff at each site will attend and will participate in these professional collaboration sessions.

COMPREHENSIVE HIGH SCHOOL PROVISIONS

In the past, the District prepared to take action to improve student achievement by incorporating interventions related to improvement efforts, while maintaining a well-rounded program and resolving the issue of differential credits at each comprehensive high school.

The Association and District have agreed to the following:

- A. Certificated staff at PHS and WHS will identify one schedule to be applied to both school sites. WEA will coordinate the balloting at each school and determine the schedule selected. In order to accommodate student participation in site-specific courses, bell schedules will support adequate travel time between sites for students.
- B. Staff will be assigned to teach five (5) of seven (7) classes contained in either schedule.
- C. Article XIII section B of the Collective Bargaining Agreement (CBA) will be modified as follows:

1. CLASS SIZE – COMPREHENSIVE HIGH SCHOOLS

a. Student contacts shall not exceed one hundred seventy-five (175) students per day for unit members teaching five (5) periods. The District shall make every reasonable effort to have a maximum individual class size of not more than thirty-five (35) students per period. Regarding
Class Sizes Overages at All Schools
for the 2022-2023 and 2023-2024 School Years**

Due to the fact that there are master schedule issues and the District has been unable to balance the student class sizes or contact limits to at or below what is outlined in the contract, the District proposes the following agreement for the **2022-2023 and 2023-2024** school years:

1. The District agrees to pay each secondary teacher, mutually identified by WEA and WJUSD, **the amount calculated in item 5 below \$2.39** per student per instructional day for each student above the class size limit or the student contact limit, but not both, beginning and including **the first instructional day on the start of the fourth full week of instruction (in accordance with Article 13.B)** forward through the last day of school or until such time the class sizes are reduced below the limits.
2. The District agrees to pay each elementary teacher, mutually identified by WEA and WJUSD, **the amount calculated in item 5 below \$12.71** per student per instructional day for each student above the class size limit beginning from **the first instructional day on the start of the fourth full week of instruction (in accordance with Article 13.B)** forward through the last day of school or until such time the class sizes are reduced below the limits.
3. The identified employees shall fill out a monthly timecard (adjusting for increases or decreases in their class loads) in order to receive their stipend. Timesheets are to be submitted to the Human Resources Department.
4. Should additional employees become eligible, the District and WEA will meet and confer to validate the addition of the employee to the stipend eligibility list.
5. For the purpose of this MOU, the per student per day rates will be determined as follows (effective **the first instructional day on the start of the fourth full week of instruction for each school year of the MOU** ~~September 21, 2020 through June 11, 2024~~):
 - Secondary rates – Base salary on the **current** salary schedule (Column V, step 25)/ work days (184) / 7 hours/ 32 students = per student rate per day.

- Elementary rates – Secondary per student per day rate x 5.5 hrs. = per student rate per day.
- Elementary rates on a pro-rated basis would be the secondary per student rate per day for each 15 minute increment not to exceed 5.5 hours.

The terms and conditions of this agreement are not precedent setting.

**Memorandum of Understanding
Between
Woodland Joint Unified School District (District)
And the
Woodland Education Association (Association)**

**Impact of AB 130 on Current WJUSD K-8 Home Study and Independent Learning
Center (ILC) Independent Study Models**

June 2, 2022

On July 9, 2021, Assembly Bill (AB) 130, the Education Trailer Bill, was approved by the Governor. AB 130 directly impacts all Woodland Joint Unified School District's (WJUSD's) independent study programs. State law took effect during the 2021-2022 school year and Districts offering independent study programs were required to adhere to the new grade-level requirements for live interaction with students, synchronous instruction and other components. The Board of Trustees approved the Flex Program as the virtual independent study learning option developed in adherence to new state requirements. In accordance with state law, Districts continuing to offer independent study programs after the 2021-2022 school year must continue to adhere to the rules implemented in 2021-2022.

The District and WEA negotiated new language in Article 27 of the contract to address AB 130 requirements for independent study commencing in the 2022-2023 school year. To promote further dialogue in transitioning the K-8 Home Study and the Independent Learning Center (ILC) independent study models under the Flex Program, the District and WEA agree to meet and negotiate the impact of AB 130 on those programs during the 2022-2023 school year as stated below. Accordingly, the Parties agree the 2022-2023 school year will be a Transition Year

During the week of June 13, 2022, the District will meet with staff in these independent study programs to learn more regarding the impact of AB 130 on the current learning model. Thereafter, the District will meet with WEA during the Transition Year to bargain the impacts of changes required to align these two particular modes to the state requirements and to the Board's direction. The Parties agree that despite these negotiations, any changes necessary to ensure compliance with AB 130 requirements shall be implemented. The District will notify WEA of any such necessary changes on or before August 4, 2022.

K-8 and ILC staff that attend the meeting will be paid on a timesheet for the hours they attend and paid at the extra duty hourly rate.

All components of Article 27 in the updated CBA between the District and the Association not addressed by the terms of this agreement shall remain in full effect.

The terms of this MOU shall remain in place for one (1) school year. This MOU shall sunset on June 8, 2023, unless otherwise negotiated.

This MOU shall not be precedent setting nor form any basis for a past practice.

2. The District shall pay a hiring bonus of \$5,000 to each full-time bargaining unit member (identified in item #1 above). **The effective date of this MOU applies to anyone hired for the 2022-2023 school year and thereafter.**
3. The hiring bonus will be prorated based on FTE at the time of hiring not to exceed 1.0 FTE and percentage of year(s) served. The hiring bonus shall be made in payments by mutual agreement between the employee and the District.
4. Certificated staff receiving hiring bonuses and who are re-elected shall not be eligible to transfer out of the job classification without District approval for four years.
5. To be eligible for the hiring bonus, the employee must have a preliminary credential or better. Those hired as interns shall receive the bonus upon issuance of their preliminary credential.
